# TALLAHASSEE IS AT IT AGAIN

**Special Perks & Pay-to-Play Politics. Politicians Win. You Lose.**

The corruption, cronyism and pay-to-play politics in Tallahassee have gotten out of hand. Politicians are accepting donations and perks. Special interests are getting what they want. And Florida families are paying the price.

**CALL SENATOR ANITERE FLORES**

**at (305) 270-6550**

**Tell your lawmaker to go back to Tallahassee and tackle the public corruption and cronyism issue head on.**

**Senator Anitere Flores is Part of the Problem**

**Paid Hundreds of Thousands of Dollars by a For-Profit College**

Flores made \$150,000 per year as President of Doral College, a for-profit, unaccredited college founded in 2011. Flores has sponsored and supported numerous pieces of legislation that help Doral College and its parent company.<sup>1</sup>

**Took Money from Our Local Schools**

While Flores was President at Doral College and our State Senator, the college received \$400,000 in our K-12 tax dollars. A Miami-Dade Public Schools Auditor reported that the deal “lacked transparency.”<sup>2</sup>

**FLORIDA BULLDOG**  
“ethics experts called the relationship between the charter schools and Doral College highly unusual”
