June 6, 2017

The Honorable Joe Negron
409 The Capitol
404 S. Monroe Street
Tallahassee, FL 32399-1100

Dear Senate President Negron:

My recovery from cancer treatment and surgery has progressed very well. Unfortunately, my physicians are recommending that I not travel in an abundance of caution following my recent follow up treatments. These precautions will unfortunately mean that I will be unable to return to Tallahassee for the 2017 Special Session.

During this time, I will continue to be a part of the legislative process from the District and I look forward to returning to Tallahassee soon.

Thank you for all of your support and consideration during this time.

Sincerely,

A handwritten signature in cursive script that reads "Dorothy L. Hukill".
