For the future of Florida's families, please...
Take the *right* road!

Tom Gallagher and Jeb Bush and are on the same conservative path.

Tom Gallagher is **opposed to amnesty** for illegal immigrants – secure our borders first!

Tom Gallagher is **opposed to the union-backed class size amendment** and wants to repeal this constitutional amendment that will cost Florida taxpayers \$20 billion.

Tom Gallagher is **strongly pro-life**.

He has earned the endorsements of Dr. James Dobson and Florida Right to Life in this campaign.

Tom Gallagher joined the Governor in delivering \$1 billion in **insurance rate relief** to Florida homeowners, and he has a plan to address our property insurance crisis.

Tom Gallagher supports a constitutional amendment that **defends traditional marriage** and **opposes civil unions**.

Tom Gallagher is one of us: a husband, father, veteran, businessman and homeowner and he'll keep Florida moving in the right direction.

Charlie Crist will take Florida in another direction.

He supports a plan that includes **amnesty for illegal aliens**.¹

He **opposed Jeb Bush and supported the liberals'** \$20 billion class-size spending scheme.²

He is **pro-choice**, supports Roe v. Wade and says civil unions are "fine."³

He has proposed **big-government "solutions" with no plan** to pay for his proposals.⁴

He proposed "**scrapping**" Florida's insurer of last resort, putting the homes and families of 1.2 million Floridians at risk.⁵

He claims to have never supported a tax increase, but he has cast at least seven **votes that contradict his claims**. As a senator he supported Jim Davis's rental car tax hike.⁶

How can we trust Jeb Bush's legacy – and Florida's future – to a LIBERAL LAWYER who has never owned his own home?

VOTE TOM GALLAGHER FOR GOVERNOR ON SEPTEMBER 5TH!
